To Whom it May Concern:

It is with great pleasure that I am writing this letter of recommendation for Greyson Kline. Greyson was one of the top performing students in my Geometry class.

Greyson is very mature for his age. He is able to process constructive criticism and is always willing to take the extra steps needed to take his work to the highest level. Additionally, his work ethic is second to none. He consistently arrived to class on time and was prepared for the lesson. He can take a leadership role as well as work as a team member in the classroom setting. Greyson is always willing to help his classmates. He has a kind and caring attitude that speaks to his patience and understanding of the importance of collaborative learning.

Greyson is fully prepared to take on any challenge that he sets his mind to accomplish. He is an excellent candidate for your program. It is with the utmost confidence that I recommend him. Please do not hesitate to contact me if you have any further questions.

Kindest regards,
